

FLEETWASH

Your Disinfecting + Cleaning Partners

Protect Your In-house Cleaners like the Pros

FLEETWASH is now offering disinfecting kits to warehouse, facility and grocery customers who wish to do their COVID-19 preventive cleaning and disinfecting in-house. Our standard kit includes a drum of our premixed disinfectant. The premium kit comes with 55 gallons of Goldshield's best-in-class antimicrobial disinfectant. Our FLEETWASH kits can be delivered and refilled by FLEETWASH to any client, nationwide.

Call FLEETWASH to inquire: 866-459-6284
