FLEETWASH RECEIVES THIRD PRESTIGIOUS SAFETY AWARD

The largest mobile washing and wastewater recovery company in the country, FLEETWASH, Inc., received the 2019 BP “Believe in Zero” award for their excellent facility services safety record.

Fairfield, NJ, June 27, 2019 — FLEETWASH is delighted to announce they are the third-time recipient of the coveted BP “Believe in Zero” Safety Award. The hard-won award is based on service hours completed without an accident or safety violation.

Over the last 6 years FLEETWASH has dedicated hundreds of thousands of man hours cleaning, re-imaging, and servicing BP stations across the country. As a premier facility service partner, FLEETWASH stands by their longstanding commitment to safety and sustainability.

“We are proud to achieve such a milestone for the third time,” says Jerry DiGiovanni, President of FLEETWASH. “We couldn’t be more honored to receive this award from our valued business partner, BP.”

FLEETWASH is the largest national mobile truck-washing and facility service provider with service coast-to-coast. With over 45 years of experience, FLEETWASH has a long heritage of getting clients clean while

keeping them GREEN. Since the early days of mobile truck washing, FLEETWASH has been an industry innovator in water recovery thanks to their patented C.A.R.E. water recovery system. FLEETWASH is committed to continuing its innovation, dedication, and leadership in sustainability while providing fleet owners with simple, low-cost truck and facility washing.
